Dear Russell;

Thanks kindly for updating ourselves and others at the recent Mayor's Breakfast with respect to the ongoing plans for the Alberni Valley Regional Airport.

We at the Chamber of Commerce; representing over 300 local businesses are 100% behind the efforts of the City, yourselves, and others in the development and expansion of our airport.

We believe that a viable and properly equipped airport will lead to increased Business Opportunities throughout the Alberni Valley and accordingly we provide you with our full support for this much needed project.

We look forward to growth in job opportunities, new business development, increased profitability of current business, and the unknown benefits to our Tourism Industry due to improved Air Transportation.

We collectively applaud you for your efforts to date. Keep up the great work!

Yours truly
ALBERNI VALLEY CHAMBER OF COMMERCE
