## **Food Service Workers**

Are you someone who has a real passion for wanting to help others? Island Health is currently looking for dedicated and dynamic Food Service Workers and Cooks.

Here is your opportunity to be a part of a diverse team while providing care in an interesting and unique way. We have kitchens in many health care facilities across the island which encompasses long term and acute care hospitals. You can be an instrumental part of this team and make a real difference.

**Qualifications:** Grade 10 plus one (1) year recent related experience or an equivalent combination of education, training and experience and Certificate in Food Safe Level 1.

## Cooks

Are you someone who has a real passion for wanting to help others? Island Health is currently looking for dedicated and dynamic Food Service Workers and Cooks.

Here is your opportunity to be a part of a diverse team while providing care in an interesting and unique way. We have kitchens in many health care facilities across the island which encompasses long term and acute care hospitals. You can be an instrumental part of this team and make a real difference.

**Qualifications:** Graduation from a recognized 12-month program in cooking or an equivalent combination of education, training and experience and Certificate in Food Safe Level 1 or 2.

## Food Service Supervisor / Technician

Are you someone who has a real passion for wanting to help others? Island Health is currently looking for dedicated leaders for Food Service Supervisor/Technician roles at a number of our sites. Here is your opportunity to be a part of a diverse team while providing care in an interesting and unique way. We have kitchens in many health care facilities across the island which encompasses long term and acute care hospitals. You can be an instrumental part of this team and make a real difference.

In this role, you will be part of the dynamic Food Service Supervisor/Diet Tech team. You will be responsible for overseeing and participating in the delivery of food services to patients, residents, customers and clients. This position supervises designated staff by coordinating work assignments and coaching employees, as well as recruiting/training and maintaining department standards and procedures. You also receive and process diet orders in a progressive centralized diet office setting utilizing a variety of computerized applications.

**Qualifications:** At least (1) year's recent related leadership experience in the field, Graduation from a two year CSNM accredited program in Food Service and Nutrition Management or meet eligibility requirements and Certificate in Food Safe Level 1.

## Environmental Service Workers

Are you someone who has a real passion for wanting to help others? Island Health is currently looking for dedicated and dynamic Environmental Services Workers in the Victoria area.

Here is your opportunity to be part of a diverse team while providing an extremely important and essential service in an interesting and unique way. You can be an instrumental part of this team and make a real difference.

As an ESW you will be using a variety of specialized equipment, tools and machines, performing light and heavy cleaning duties, such as dusting, vacuuming, shampooing, washing, mopping, stripping, polishing and wiping; making beds and emptying garbage in accordance with established policies and procedures.

**Qualifications:** Grade 10; or an equivalent combination of education, training and experience
