Greetings,

We are thrilled to announce that the City of Port Alberni is applying to host the 2026 BC Summer Games scheduled for July 23-26, 2026. A BC Bid Committee has recently been established and are working diligently to complete the bid application process. We are excited for the prospect of bringing this opportunity to the community and we are looking for your support to strengthen our application.

At this time, we are requesting letters of support from community organizations to showcase the Alberni Valley's enthusiasm and outstanding resources. If you are interested, we have attached a template to assist in the development of your letter. Please submit your letter of support no later than Friday, December 11, 2020 by email at karen_freethy@portalberni.ca or by mail:
